

Kaplan Aspect Boston

Welcome to the Kaplan Aspect Boston! Our school is ideally situated in the heart of downtown's historic and quaint Haymarket Area, where the Financial District, the North End and Government Center all meet. Located on or near bus and subway lines, our center is easily accessible from all parts of the city.

The school offers modern, first-class facilities with access to the video lab with over 25 TVs and VCRs, to the two computer labs with over 20 computers and to a third computer lab with free internet access for international students. Students will also have an extensive library of structured study materials to be used in center, which includes practice iBT TOEFL exams, ESL practice tapes, and ELLIS, the premier pronunciation software package for English language learners.

School Facilities

Classrooms

There are 15 classrooms, varying in size, the smallest able to accommodate an average sized class of 10 students and the largest able to accommodate a class of 50. Included in them are desk/chair combinations, whiteboard, and any electronic equipment the teacher might need for the lesson.

Multimedia and IT centre

There are two computer labs with over 20 PCs. Both labs able to connect students who come with laptops to the Kaplan network. Computers in our larger media lab are equipped with ELLIS the premier pronunciation software package for English language centres.

Library

Kaplan Aspect library houses various self-study materials, which focus on grammar, pronunciation, practice drills, skills and strategies, and American culture books for study. We also have a broad selection of classic American movies that students can borrow to watch in our media lab.

Student Lounge

The student lounge has a student microwave, refrigerator, and food and drink vending machines, along with tables that overlook wall-to-wall windows of the Boston's North End. Couches and chairs are placed sporadically around the centre for the convenience and comfort of the students between classes.

Cafeteria

Because of the school's convenient location near Faneuil Hall and Quincy Market, students have a vast array of lunch options to choose from, including Indian, Italian, Greek, Japanese, Mexican, Thai and German cuisine, as well as many fresh bakeries and sandwich shops, all a 5-minute walk from the school.

Sports facilities

The Boston Commons is a 20-minute walk away where many Bostonians go to stroll the grounds, catch some sun, play a quick baseball game on the park's diamond, ice skate on the frog pond, or take a swan boat ride on the lake.

Gym facilities

The Boston Sports Club is a 5-minute walk from the school. It houses two floors of workout equipment along with regular classes on yoga, pilates, spinning, and cardio.

Activities/Social Programme

Because of Boston's rich cultural history, there are many specific events in Boston for our students to enjoy. In the summertime there are free classical music concerts outside at the Hatchshell and free Shakespearean plays on Boston Common, and no one can visit Boston and not see the Red Sox play at Fenway park. The Kaplan Aspect school also organises a varied social programme with activities such as movie nights, meals at American restaurants, reduced pricing or free tickets to museums, theatres, and shows, an international boat cruise, baseball, basketball and soccer games, book club, potluck dinner, conversation group and pizza parties.
