Kaplan International College Bournemouth

Ukraine

Pre-masters in Business

“I was studying in Kiev when I decided to come to Bournemouth. I was sure that the experience of studying in the UK would help me to improve my academic skills, particularly my writing skills. I chose Bournemouth because I was interested in obtaining a Masters from Bournemouth University.

“I really enjoy the challenges of my course and making the most of every opportunity to improve my skills. Bournemouth is a great place to study as it is very peaceful and I love the ocean. The UK offers a wide variety of cultural opportunities and offers a great experience.

“My course has really helped me to improve my academic skills and I feel better equipped to study at university in the UK. My English has become far more sophisticated and I learn more with every day I spend at Kaplan International College Bournemouth.”
