

Student Accommodation Cairns

Sharehouse

Cairns Sharehouse provides high quality share accommodation in central Cairns and is for visitors from all over the world, who are keen to make Cairns their 'home' for a minimum of 4 weeks and would like to have all the comforts of home at an affordable price. It is also popular with individuals who enjoy being part of the Australian culture yet prefer to live independently rather than with a family.

Living in a sharehouse provides an excellent opportunity to make friends with people from all over the world and enjoy the social aspect of a sharehouse.

Cairns Sharehouse apartments are fully furnished and self-contained with modern kitchens and clean communal areas where our visitors can relax. Currently Sharehouse offer accommodation at 10 properties within walking distance of Cairns Central, however properties in Martyn and Draper Street are the most popular with our students.

Accommodation details

Type of Accommodation

Cairns Share House is a collection of apartments and renovated 'Queenslanders'. Private and shared rooms are available to students for a minimum stay of 4 weeks.

Rooms

We offer a selection of single, twin and double rooms. Each room contains modern furniture, including a wardrobe, desk, clock, lamp, ceiling fans and some with air-conditioning, television and DVDs in each room. We provide all bed linen (sleeping bags are not permitted for hygiene reasons) and tenants are asked to provide their own towels.

Bathroom

Shared bathroom facilities.

Utilities

Electricity, gas and water are included in the accommodation fee.

Laundry and cleaning

A laundry equipped with coin operated washing machine and dryer is available for students use.

On-site facilities

Each of our properties is unique, some with a resort pools, garden spa or barbecue facilities. All our properties have on-site laundry facilities at a small fee of \$2.00 per wash. We also employ a Maintenance Manager and Landscape Gardener to maintain the standards of our properties.

Security and keys

We consider the security of our tenants of very high importance. As Cairns is a tourist town, we protect our tenants by employing a local security firm to carry out nightly patrols of each apartment, and ensure that all public areas are well lit. We have also installed automatic locking doors and security gates where appropriate to ensure our tenants have peace of mind, and encourage all tenants to lock doors and windows as they would in their own home.

Linens and towels

Linen is provided however students need to bring their own towels.
