Before you leave...

We understand that at times you may feel nervous when preparing for your stay in Australia. There are some important things you need to know before you leave that will make your life easier when you arrive. Use our checklist on the next page to ensure that you do not forget anything and are well prepared for the exciting times ahead of you.

Pocket money

We recommend that you budget AUD 150 - 200 for every week of your course. This should cover personal expenses, laundry, local travel and activities. You will need additional money if you plan to rent a car, take weekend trips or travel. Bring AUD 200 with you in cash and the rest in travellers' cheques. These should be in small denominations, AUD 20 - 50 cheques if possible. You can also use a credit card. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

Clothing

Students dress casually for classes. You should bring some nice clothes for going out to restaurants, nightclubs etc. You should also bring clothing for sports and outdoor activities. You can usually rent sporting equipment. The climate in Australia is very warm and humid. The typical summer temperature is between 20-29°C in summer and 9-20°C in winter. Bring light clothing to keep you cool if you are arriving in summer.

Bank account

If you are staying for longer than six months or you intend to work, you may wish to open a bank account. If possible, try to set up your bank account before you arrive as rules, regulations and policies between banks vary. You may be required to bring a wide variety of personal documentation with you. If you decide to set up a bank account after you have arrived, remember that it can take a long time so make sure you are able to access your money at all times.

Electrical current

Standard voltage in Australia is 240 volts. To make sure that you are able to use all your electrical appliances bring a converter and an adaptor with you, or alternatively you can purchase an adaptor upon your arrival from travel stores or some supermarkets.

Visit the Kaplan International Colleges website at www.kaplaninternational.com for more information about life in Brisbane.

Homestay accommodation

Our homestay families reflect the diversity of life in Australia. They include young, senior and single parent families and couples with and without children. Hosts have varying ethnic backgrounds and different interests and lifestyles. Please refer to the Australia homestay factfile for more details.

Your Life in a Homestay

Living in a homestay will allow you to practise your English in a real-life setting. It is important to remember that you are both part of a family and a guest at the same time. You may have to help with household chores, keep your bedroom tidy and make your bed each morning. Make sure that you always ask permission to bring friends round and remember to ask before you change channels on the television!

Meals

Breakfast: Breakfast is usually a light meal consisting of cereal, fruit, toast, juice or coffee. Often these foods will be made available to you and you will prepare your own morning meal (otherwise known as ‘help yourself’).

Lunch: You will be responsible for purchasing your own lunch. There are lots of cafes, restaurants and shops nearby where you will be able to buy lunch.

Dinner: Dinner may be a shared meal in the evening, or occasionally you may prepare your own meal with food supplied by your host.

What to bring

You can purchase toiletries and other personal needs locally, but if you have specific items that you need, you should bring them with you. Your host will provide you with bed linen and towels. If you have any prescription medications that you are required to take, you should bring a supply with you.

Laundry Facilities

You have access to laundry facilities at your host family’s home. Some families prefer to do the laundry for you. Please do not wash clothes in the bathroom or dry them in your bedroom, cupboards or on heaters.

Telephone and Internet Use

You should buy a phone card or use your mobile phone to make telephone calls. Your hosts’ telephone should only be used for emergency incoming calls. Remember to notify your family back home of any time differences to avoid calls in the middle of the night. It is often very expensive to make international calls from a home line, which is why we recommend using a phone card. Please always ask your host family for permission to use the home line and about their rules regarding internet use.

Getting to and from College

Your host will help you to find your way to and from college on your first day and will show you how to use public transport. Journey time will depend on the location of your homestay. Explore several options when considering transport to college such as trains, buses or even bike riding. Please refer to the Australia Homestay factfile for more details.

Smoking

When you book your accommodation, please request a homestay that allows smoking if you smoke. Most hosts will ask smokers to smoke outside. Always ask your host family upon arrival for their specific house rules regarding smoking. It is general courtesy to ask someone for permission to smoke next to them, even if you are outside. In Australia it is against the law to smoke in any building open to the public including a restaurant or any area where food is being prepared.

Things to remember

- You are a guest as well as part of the family
- You may have to take part in family chores
- Always keep your room locked and your valuables hidden
- Purchase a phone card for international calls
- Do not hang your laundry to dry in your room
- Ask permission to have a friend come visit you
- Notify your family if you are not coming home for the night
- Ask permission to smoke

Hostel accommodation

Kaplan International College Brisbane offers students a convenient residential hostel option, Adalong Student Guest House, located in South Brisbane and about a 30-35 minute walk to the college. Adalong is a great alternative to homestay for those students who want more independence. For more details about your specific accommodation, download a factfile from www.kaplaninternational.com.

What to bring

The guest house includes basic appliances and furniture. You will be given linen, blankets, a pillow and towels upon arrival. Personal toiletry items can be purchased locally. You may need to bring a plug adaptor.

Meals and kitchen

The guest house has a fully-equipped kitchen for you to prepare your own meals. Always clean up after yourself if you use the kitchen. Home-cooked evening meals are provided Monday to Friday, and a self-service continental breakfast is provided 7 days a week.

Phone use

A public phone is available for students' use. You can purchase a phone card at local stores. Some phone cards will be cheaper for calling home to your country. Ask reception staff for advice about purchasing phone cards.

Internet

High-speed internet connection (wired) is available for AUD 5 per 1000MB, valid for one week.

Laundry facilities

Coin-operated washing machines and dryers are available for student use.

Bed linen and cleaning

Bed linen and towels are included in each bedroom. Linen is changed once a week.

Security

You are responsible for keeping your own room secure. Kaplan cannot be responsible for items that go missing from the hostel. Keep your personal belongings safely stored. Kaplan advises you to have Travel Insurance to cover any loss or theft. The guest house has a secure key system for entry and an on-call manager available any time of day or night.

Going to and from college

Kaplan International College Brisbane is a 30-35 minute walk via the Southbank parklands, otherwise there is a bus stop right at the guest house door which can take you to the city centre.

Visitors

No unaccompanied visitors are allowed into the residence. Visitors are to leave by 11pm. No visitors are permitted to stay overnight.

Noise and restrictions

Students are requested to be considerate to their neighbours and keep noise levels to a minimum, especially after 10pm.

Arrivals and departure

Check-in: Between 7am-6pm only.

Questions

Should you have any questions or problems regarding your hostel accommodation, please see the accommodation manager at the college. They can assist you in extending or changing your accommodation.

Things to remember

- Always keep your room locked and give your valuables to the manager for safe keeping
- Buy a phone card to make telephone calls
- Always clean up after yourself if you use the kitchen facilities

Choosing the right accommodation

You must carefully consider the advantages and disadvantages to the accommodation options available. We want to help you make an informed decision and for you to be happy in your new home. If you need any help or have any questions please ask your Kaplan representative for more information.

Organising your own Accommodation

Should you wish to take responsibility for your own accommodation please ensure you research your options thoroughly. Do not sign any agreements without being aware of your rights. The Australian government requires all students on student visas to join the Overseas Student Health Cover (OSHC) Scheme (Medibank Private), a health insurance plan for overseas students in Australia. Payment of AUD 40 per month for compulsory OSHC must be made before a visa can be issued.

This insurance covers:

- Visits to a doctor (Medibank will cover approximately 85% of the scheduled fee)
- The total cost of hospital treatment provided that the treatment is in a public hospital and is provided by a hospital doctor
- Eye tests
- Benefits for medication/medicines
- Emergency ambulance transport

This insurance does not cover:

- Dental costs
- Physiotherapy
- Optical glasses, contact lenses
- Medical expenses for any pre-existing medical condition before you came to Australia, during the first 18 months of membership
- Treatment covered by provisions for compensation and damages or accidents

Please note that you are covered by Medibank Private from your very first day of study. Prior cover can be otherwise arranged should you plan on coming to Australia a few weeks before your course starts.

Medical and Travel Insurance for Working Holiday or Tourist Visa holders

If you are on a Working Holiday or Tourist Visa you must make your own Health Insurance arrangements before you commence your studies. Kaplan offers you a low-cost Travel and Medical Insurance plan that we advise you to take. If you are not taking Kaplan insurance you are required to show proof of alternative medical insurance. Kaplan Medical and Travel Insurance costs AUD 26 per week and you can arrange your insurance with your Kaplan representative. Travel and Medical Insurance is compulsory at Kaplan International Colleges for the duration of your stay.

If you get sick

If you get sick whilst you are in Australia you should visit a doctor. You can ask staff at reception or your host family where the nearest doctor is. If you have a minor illness you can often ask staff at a local pharmacy for advice. If you are ill, make an appointment to see a doctor and take any relevant insurance or medical documentation with you. Kaplan staff can assist you to find a doctor who speaks your language. If you are absent from class due to illness you are required to bring a doctor's certificate to give to your teacher when you return to college.

Protecting your belongings

If you are not using Kaplan Medical and Travel Insurance we strongly recommend that you take out insurance for your personal belongings, especially cameras, personal music players, mobile phones and laptops. Personal items cannot be covered by Kaplan homestay or residence insurance. You can cover these items with your own personal travel insurance. Please ensure that you are properly covered in case of loss or theft.

Things to remember

- Call 000 in case of fire, medical emergency or need for the police
- You must have Medical and Travel Insurance to attend a Kaplan International Colleges course. If you do not have Kaplan International Colleges Medical and Travel Insurance, you must provide proof that you are covered by another provider

- You must attend all classes. If you do not attend 80% of classes your representative and parents may be informed. If you do not then improve your attendance Kaplan International Colleges is required to report you to the Federal Department of Immigration and Citizenship (DIAC), and this may result in the cancellation of your student visa

Some important customs to know include:

- **Women:** Women in Australia are equal to men and should always be treated fairly. Men and women share equally in household work and childcare
- **Queues:** Always stand in line and wait your turn when buying tickets, in a bank, post office or waiting for a bus. Keep to the left when standing on escalators
- **Friendliness:** Australian people talk to strangers in public areas. This is a great way to practise English, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations. Although most people are friendly, some may be reluctant to speak with strangers
- **Please and Thank you:** These are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information

You should refer to the Department of Immigration and Citizenship (DIAC) website www.immi.gov.au or call their hotline on 131 881 for more information on how these changes affect your visa.

Course Deferral

This is when you have to delay the start of a course and it applies to a course you have not yet started. This may occur if you ask to return to your country or can not start your new course at the expected start date. Kaplan International Colleges may ask that a student defers the start date of a course if they do not meet the pre-requisite requirements for that course.

Course Suspension

This is when your course is stopped, either temporarily or permanently, and it applies to a course you are currently studying. The suspension may either be requested by the student or initiated by Kaplan International Colleges for student misconduct.

Compassionate and Compelling Circumstances

Students are able to apply to defer or temporarily suspend their course on the grounds of compassionate and/or compelling circumstances.

These could include, but are not limited to:

- Serious illness or injury, and you have a medical certificate stating that you are unable to attend classes;
- Death of a close family member, such as parents or grandparents (where possible you should provide a death certificate);
- Major political upheaval or natural disaster in your home country requiring emergency travel;
- A traumatic experience, for example, being involved in or witnessing a serious accident, or witnessing or being a victim of a serious crime (where possible you should provide police or psychologists' reports);
- Not being able to start your course on the commencement date because of a delay in receiving your student visa.

How to Apply

You should apply in writing to the Student Services Manager at Kaplan International Colleges using the appropriate form and with supporting evidence. The College will review your application, and where possible, the Student Services Manager will meet you. The College will inform you of its decision in writing within three working days of your application.

If the College approves your request, the written notification will include information that the deferral/suspension may affect your visa status and that the College will inform DIAC via the PRISMS system. The period of suspension will not be included in the calculation of your final attendance.

If the College refuses your request or initiates the suspension or cancellation of your enrolment, the College will notify you of its intention and you will be allowed 20 working days to access the Appeals Procedures. If you choose to appeal the decision, the College will not inform DIAC of a change to your enrolment status until the internal Complaints and Appeals process is completed.

If you are under 18, the College cannot accept your request without the permission of your parents/guardian and confirmation that suitable welfare/accommodation arrangements have been approved.

In all instances the student will be responsible for applying for their new visa with DIAC and incur all costs.

All students will be obliged to accept Kaplan International College's Cancellation and Refund Policy as signed upon your initial enrolment.

Course Cancellation

Kaplan International Colleges has the right to cancel your enrolment in the following extenuating circumstances, in which case, you will be reported to DIAC via PRISMS immediately, without waiting for the outcome of an internal or external appeal:

- If you are missing and you have not responded to the College's phone calls, emails or letters to your address;
- If you have serious medical problems, severe depression or psychological issues, which result in the College having concerns for your general wellbeing;
- If you act or threaten to act in behaviour that puts yourself, other students or the College staff in danger, or if you harass or intimidate another student or staff member;
- If you are under 18 and refuse to maintain the care arrangements that have been approved.

Kaplan International Colleges also has the right to cancel your enrolment for academic misconduct, which is defined as an attempt to cheat, plagiarise or otherwise act dishonestly in undertaking an assessment task, or assisting other students to do so. Students are considered guilty of cheating if they try to gain advantage by unfair means such as copying another student's work, or in any way mislead the teacher about their knowledge, ability, or the amount of original work they have done. All students are expected to maintain high standards of academic honesty and integrity.
