Liberty Living

Liberty Living comprises two clean and well run student residences - St. John Street and Sebastian Street - where all occupants can be assured of comfort, privacy and security. Kaplan Aspect students live in comfortable single studios in the St. John Street residence.

We aim to create an environment that students will appreciate and benefit from, while also enjoying all that London has to offer.

The St. John Street residence is located in the Clerkenwell area of Central London. The nearest London Underground Stations are Barbican and Angel, both of which are a short walk away. There are also numerous bus routes nearby.
