

Student Residence Portland

Goose Hollow Plaza and Tower

Completed in 1999, the Goose Hollow Plaza offers contemporary living in one-bedroom apartments. Large bedrooms, suites, internet and exercise facilities make this a great location. Adjacent to the plaza is Goose Hollow Tower, a 16 story structure that features breathtaking views of the Portland cityscape, Mt. Hood, and Mt. St. Helens. The baseball stadium and beautiful Washington Park are a few short blocks away. Both buildings are equipped with free internet.

Goose Hollow residents live in a true student environment. All residents attend one of the various schools in the Portland area. Kaplan students will enjoy meeting students from across the USA and the world. For students interested in making friends in the USA, this residence is ideal.
