

PROGRAM

Super Intensive English

Kaplan PLI's Super-Intensive English is aimed at accelerating your learning with maximum time in the classroom. We will help you achieve your academic or career goals in the shortest possible time, whether you are a university student or a successful professional. With 40 lessons per week, our Super Intensive program is a great choice for professionals or for university students who already have some English and limited time to study.

General English

General English classes are the core of the Kaplan PLI teaching method. Our experienced team of teachers will focus on improving your reading, writing, listening, speaking and grammar; the fundamental building blocks of language production.

Class Content

Kaplan PLI uses targeted techniques and innovative learning activities to improve your communication skills. In your classes, you can expect the following:

- Small group activities
- Role-playing and problem solving
- Challenging exercises
- Stimulating discussions and debates
- Presentations
- Real-life activities

Schedule

On the first day of class, all students will be tested to determine their English Level and will be placed in level-appropriate classes. Schedules are based on a student's English Level and course selection and may be in either the morning or the afternoon.
