

Business English Diploma in Business Communication

Are you a professional looking to develop your communication skills for the business world or a university student studying a business-related field? If you are, then our 8-week Diploma in Business Communication, designed to make you more effective in a variety of business situations, is the perfect choice for you.

Prepare for success in business

Learn essential English language skills for communicating effectively in a range of business contexts. Through case studies of real companies, interactive exercises, presentations, group discussions, simulated meetings and written reports you will improve your ability to communicate effectively in a business environment.
