Arrivals/Departures

Students should arrive for their programme on the Sunday, where the academic element of the programme begins on the Monday, unless otherwise advised. Accommodation is booked from the Sunday (being the programme commencement date) until the Saturday after the academic element of the programme has ended.

Prices for one-week courses available on request.

The first arrival on Salisbury Summer Residential course should be Monday 9 July 2012. The first arrival on Salisbury Winter programme should be on Monday 2 January 2012, which is a Public Holiday in the UK.

Airport transfers

Return airport transfers are included in the individual student price. Students must notify their Kaplan representative of their flight arrival and departure times in advance so that the transfer can be arranged. The arrival service in the UK is offered between 0700 and 1800 on Sunday and departure service is offered for transfers leaving the center between 0700 and 1800 on Saturday. If the transfer is outside of the stated times, a separate transfer at an extra cost to the student will need to be arranged. As this is a shared transfer students may be required to wait at the airport for other members of the transfer. Individual taxi transfers available on request at extra charge. Individual students on the Salisbury Winter programme will need to take a private taxi transfer - these are offered from selected airports. For further information and prices, speak to your Kaplan representative.

Unaccompanied Minors service

If a student is travelling as an unaccompanied minor or hostess-assisted passenger, Kaplan must be informed in advance and full details of the student's arrival and departure provided. An additional charge may apply.

Travel and Medical Insurance

All participants on Kaplan programmes are required to have in place, for the duration of their stay, appropriate travel and medical insurance, and evidence of this provision may be required prior to starting the programme. Such insurance is available from your Kaplan representative. NB for visitors to the UK or Ireland centers, holding an E-111 certificate is not accepted as adequate provision of such insurance.
