If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on their website at www.moh.govt.nz. In addition, The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz. Please note that Kaplan's recommended travel and medical insurance must be booked for a minimum of 4 weeks.

6. Health declaration: Students must report on their enrolment form any mental or physical illness, allergy, disability or condition that may interfere with their ability to successfully complete their program, that may impact the health and well-being of any other student, host or staff member, that may require monitoring, treatment or emergency intervention of any kind during

the student's anticipated period of enrolment, or that may require special accommodations. Kaplan reserves the right to reject an applicant or terminate a student's enrolment in the program if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan, the student's physical or mental condition makes the student unable or unlikely to successfully complete their program. Refunds in such circumstances are at the discretion of Kaplan.

7. Tuition fees: Tuition fees include lessons, orientation meeting, use of computer room and internet, placement and progress testing and a Kaplan certificate on completion of the course. Kaplan reserves the right to withhold the granting of a certificate attained by a student if tuition fees or any other fees remain outstanding, or other conditions are not met.

8. Additional services: Any additional services (transfers, travel, laundry, telephone costs, excursions, medical costs, special diet, exam fees, change of accommodation and enrolment amendments) are not included in any fees unless specifically stated on a valid invoice.

9. Twin accommodation: At Kaplan's discretion, students may be required to book single room accommodation instead of twin room accommodation.

10. Under 18 year olds: Kaplan delivers adult courses (except for programs advertised as being for juniors or young learners). Therefore, students aged 16 and 17 are advised that they will be attending classes with students aged 18 and over. Under 18 year olds may be required to pay a guardian fee, provide custodianship documents, live in Kaplan-approved accommodation, book Kaplan's airport transfer service (compulsory in Australia and New Zealand) and purchase Kaplan medical insurance. All students under 18 must provide a signed Minor Authorisation form prior to arrival.

TERMS AND CONDITIONS

1. Rules and regulations: Students' arrangements with Kaplan are governed by the law of the country where the particular school attended is located.

2. Arrivals and departures: All accommodation is booked from the Saturday or Sunday before the course start date until the Saturday morning after the course end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Students arriving between 22:30 – 6:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation.

3. Late arrivals, vacations and absences: If you begin your enrolment late or are absent during your course, no refund will be made for the time missed. Periods of absence cannot be made up with a free extension of the course. Session Break dates are pre-built into the Academic Year and Academic Semester programs and students cannot make changes to these dates. Breaks taken at other times will be marked as periods of absence. For other courses, granting of any Session Breaks after the course has started will be at the discretion of individual schools, according to visa regulations, and may incur a change fee or be marked as a period of absence.

4. Meals and classes missed: No refunds or substitutions will be made for meals or classes missed due to exams, excursions, internships, first day orientation or other obligations that fall outside the normal schedule.

5. Public holidays: Classes are normally not held and most school facilities are closed on public holidays. All published course start dates fall on a Monday. If the Monday is a public holiday, the start date will fall on a Tuesday. Compensation will not be made for classes not offered on public holidays.

6. Campus Facilities: Students attending a Kaplan school at a university or college campus location are advised that campus facilities may not be available during campus holidays. Further details are available from the Kaplan booking office.

7. Change fees: A minimum of 4 weeks' notice is required for any change. If you request a change of school location, course dates, accommodation or program type after your course has started, you will be charged a change fee of NZD75 in New Zealand, which is payable at the time the request is made. Kaplan is not obliged to fulfil any change request. Academic Year or Academic Semester students cannot transfer to a different Kaplan school during term time. If changing to a location where fees are lower, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. All changes are subject to Kaplan's discretion and require approval of the Program Director. You will not be charged a change fee if you extend your course. It is the responsibility of the student to pay for any course or accommodation extensions. Any change of tuition resulting in a reduction in lessons will be treated as a termination of the existing booking and rebooking, and will thus be subject to the standard terms & conditions governing terminations (see 'Termination Policy').

8. Duration of lessons: All English lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Kaplan cannot guarantee a specific timetable.

9. Substitution policy: If, after the placement test taken on arrival at the school, a student is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the student in an appropriate level class, which may have fewer lessons and a different curriculum. Students who do not have the ability to follow any course on offer may be required to terminate their studies with Kaplan. We also reserve the right to cancel courses at short notice due to insufficient demand.

10. Program changes: Kaplan has the right to change course dates, course curricula, tutors, locations and programs at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the student, all fees will be refunded.

11. Prices: Kaplan has the right to change prices due to tax increases, governmental actions or other events beyond Kaplan's control. Prices are valid for courses starting in 2015.

12. Books and learning materials: All books and learning materials will be made available to students during their course. In New Zealand and Australia a materials fee is charged to students to cover the cost of such items.

13. Residential housing deposit: A refundable housing deposit of NZD250-500 or AUD250-500 may be charged on arrival to students taking residential accommodation in New Zealand and Australia. The deposit is returned unless there is damage, loss or extra cleaning to be paid for on the student's departure. In some cases the deposit may be non-refundable if the booking is cancelled. Additional fees may also apply in some locations (e.g. utilities, cleaning, linen).

14. Expulsion/Suspension: Any student who commits a criminal offence, violates the student conduct code or school policy, has, in Kaplan's opinion, a poor attendance record (whether or not such attendance is in breach of any visa attendance requirements), or fails to pay an amount he or she is directly or indirectly liable to pay Kaplan in order to undertake the course, may be expelled or suspended. No refund will be given and the immigration authorities will be informed.

Student Code of Conduct: You agree to abide by the student conduct rules and other policies while attending Kaplan. As part of Kaplan's commitment to our students' success, we seek to provide an optimal learning environment and expect students to conduct themselves in a manner that is considerate of those around them. Inappropriate conduct includes but is not limited to: (1) disruptions to the learning environment (i.e. use of profanity, harassment, mobile phone use in classrooms, etc.); (2) deliberate destruction, misuse, or theft of Kaplan property or the property of fellow classmates; (3) violence or threats of violence towards persons or property of students or Kaplan staff; (4) improper use of email or Internet access; and (5) failure to comply with local copyright or criminal laws forbidding the misappropriation, copying or alteration of copyright-protected materials.
