Before you leave...

We understand that at times you may feel nervous when preparing for your stay in the United Kingdom. There are some important things you need to know before you leave that will make your life easier when you arrive. Use our checklist on the next page to ensure that you do not forget anything and you are well prepared for the exciting times ahead of you.

Pocket money

We recommend that you budget £80-100 for every week of your course. This should be enough for personal expenses, laundry, local travel and Kaplan activities. You will need additional money if you plan to rent a car, take weekend trips or travel. Bring £100 with you in cash and the rest in travellers' cheques. These should be in small denominations: £20-50 cheques if possible. Or you can use a credit card. You should not carry around large amounts of cash.

Clothing

Students dress casually for classes. You should bring some nice clothes for going out to restaurants, nightclubs etc. You should also bring clothing for sports and outdoor activities. You can usually rent sporting equipment. The climate is changeable and may be very different from your own. The typical temperature is 20 C in summer and 0 C to 10 C in winter, although it can drop below freezing. Bring warm, waterproof clothing if you are arriving in autumn or winter. An umbrella would also be useful as it often rains in Britain.

Bank account

If possible, try to set up your bank account before you arrive. If you are staying for longer than six months you may be able to open up a bank account in the UK (although Kaplan cannot guarantee this). You will need to bring a wide variety of personal documentation with you to open an account. It can take a long time so make sure you have money available in the meantime. We advise you consult with your bank at home to get their advice on banking in the UK.

Electrical current

Standard voltage in the UK is 240 volts. To make sure that you are able to use all your electrical appliances bring an adaptor with you.

Homestay accommodation

Homestay in the UK can include many different types of homes and families. They include young, senior and single parent families and couples with and without children. Hosts have varying ethnic backgrounds and different interests and lifestyles. Please refer to the United Kingdom homestay accommodation factfile for more details.

Your life in a homestay

Living in a homestay will allow you to practise your English in a real-life setting. It is important to remember that you are both part of a family and a guest at the same time. You may have to help with household chores, keep your bedroom tidy and make your bed each morning. Make sure that you always ask for permission to invite friends and remember to ask before you change channels on the television!

Meals

Breakfast: Breakfast is usually a light meal consisting of cereal, fruit, toast, juice or coffee. Hosts will usually ask you to prepare your own breakfast.

Lunch: You will be responsible for buying your own lunch at the school, from a local restaurant or the local shops.

Dinner: You will usually eat dinner with your host, or occasionally you may prepare your own meal with food supplied by your host.

What to bring

You can buy toiletries and other personal items in the local shops, but if you have specific items that you need, you should bring them with you. Your host will provide you with bed sheets, pillow case and towels. If you have any prescription medications that you are required to take, you should bring a supply with you. Although not required, some students like to bring a small token of their country as a house gift upon arrival at their host home.

Telephone use

You should buy a phone card or use your own mobile phone to make telephone calls. Your host's telephone should only be used for emergency incoming calls. Remember to notify your family back home of any time differences to avoid calls in the middle of the night. It is often very expensive to make international calls from a home line, which is why we recommend using a phone card.

Laundry facilities

Laundry facilities will depend on your selected homestay option. Please refer to the UK and Ireland accommodation factfile for more details. If your host does not do your washing please take it to a launderette to wash and dry - please do not wash clothes in the bathroom or dry them in your bedroom or cupboards. The average cost per load of washing in a UK launderette is £5.

Getting to and from school

Your host will help you to find your way to and from school on your first day and will show you how to use public transport. Journey time will depend on the location of your homestay. Your school will give you more information about this. Please refer to the UK and Ireland accommodation factfile for more details.

Smoking

When you book your accommodation, please request a host that allows smoking if you smoke. Most hosts will ask smokers to smoke outside. Always ask your host on arrival for their specific house rules regarding smoking. It is general courtesy to ask someone for permission to smoke next to them, even if you are outside. Restaurants will not allow you to smoke inside.

Things to remember

- You are a guest as well as part of the family
- You may have to take part in family chores
- Buy a phone card for international calls
- Do not hang your laundry to dry in your room
- Ask permission to have a friend come to visit you
- Notify your host if you are not coming home for dinner
- Notify your host if you are not coming home for the night
- Ask permission to smoke

Health and Safety

If you or a friend is seriously ill or has had an accident call 999. Stay calm and describe to the operator on the line what type of help you need (ambulance, fire or police) and your location. You may be required to describe any symptoms. Explain as much as you can, don't worry if you are not confident with your English - say as much as you can, as clearly as you can. For further information on health and safety in the UK visit the British council website at www.britishcouncil.org/educ-safety-first.pdf.

Medical insurance

All students must have medical insurance for the duration of their stay in the UK. Students need to organise their own medical insurance before they travel. Kaplan does not offer travel and medical insurance in the UK, but students can either use the link on the Kaplan International English website to book travel and medical insurance directly with an insurance provider, or they can choose their own.

If you get sick

If you get sick while you are in the United Kingdom you should visit a doctor. You can ask the Welfare Officer or your homestay host where the nearest doctor is. If you have a minor illness you can often ask staff at a local chemist for advice. If you are ill, make an appointment to see a doctor and take any relevant insurance or medical documentation with you. You may be required to register with your local doctor.

Medical costs are at the discretion of your local doctor or hospital. A guide to costs in the United Kingdom are as follows:

- A consultation with a doctor (minimum £40)
- Prescriptions at a chemist (minimum £6.50 per item)
- Dental treatment (minimum £50)
- Eye tests or new glasses (minimum £30)

Protecting your belongings

We strongly recommend that you take out insurance for your personal belongings, especially cameras, personal music player and laptop

computer. Personal items cannot be covered by Kaplan homestay or residence insurance. You can cover these items with your own personal travel insurance. Please make sure that you are properly covered in case of loss or theft.

Under 18 Statement

Kaplan recognises its responsibility to safeguard and promote the welfare of students aged under 18, within the UK legal framework and criteria of our educational oversight and accrediting bodies. Kaplan is committed to safeguard and to promote the welfare of Under 18s in all our schools, being proactive rather than reactive. We endeavour to ensure we provide a safe, positive and pleasant study and home environment for all students. All Kaplan International teams work hard to give all our students the most positive study experience they can have, but we show an additional duty of care towards our students who are legally minors. While we cannot and do not aim to take the place of these students' parents, we monitor them more closely than other students and request all parents of Under 18s to sign a Consent Form

- Kaplan International have a Safeguarding Policy available for all staff, hosts and parents
- All Kaplan staff and hosts in regular contact with Under 18s are subject to rigorous recruitment procedures and necessary police checks
- All Kaplan staff and hosts are given appropriate support, training and guidance

- Each KIE college has a named contact person for U18s to give extra support, meet the students on a regular basis, explain the legal status of under 18s, monitor any accommodation issues and liaise with the home stay and students' parents if necessary
- Ensure there are activities in the school which are suitable for students under 18 to participate in and inform Under 18s about learning and socializing outside of the classroom

Things to remember

- Call 999 in case of fire, medical emergency or need for the police.
- You must have medical insurance to attend a Kaplan course.

Laws and Customs

You may find that laws of the UK differ from those in your home country. You must obey the country's laws and respect its customs. It is important that you understand the laws, rules and customs that you may encounter.

Laws

- No one under the age of 18 in the United Kingdom may buy or consume alcohol, cigarettes and tobacco. It is against the law to buy alcohol, cigarettes and tobacco for someone you know to be under the age of 18.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
- Buying, selling and using drugs (including cannabis) is illegal.

The police and Kaplan are very strict in enforcing these laws.

Kaplan's rules

Kaplan has rules that must not be broken. These rules may apply to academic work at school as well as life in your residence or homestay.

- If you leave your Kaplan course, the government may take away your student visa and advise you to return home.
- You must attend all classes. If you do not attend classes your representative will be informed. If a student is under 18, parents will also be informed. If you do not then improve your attendance you will be sent home.
- Always tell Kaplan if you are going to be absent from school for any reason and tell your homestay host if you are going away overnight.
- If you commit a criminal offence or have to be severely disciplined you will be sent home and no refund will be given. We will also inform the immigration authorities.
- Be on time for all your lessons.

Customs

Customs are an accepted way of behaviour in a country. You need to know the customs of the United Kingdom to help you feel comfortable with people. Some important customs to know include:

Women: Women in the United Kingdom are equal to men and should always be treated fairly. Men and women share equally in household work and childcare.

Queues: Always stand in line and wait your turn when buying tickets, in a bank, post office or waiting for a bus. Keep to the right when standing on escalators.

Friendliness: English people talk to strangers in public areas. This is a great way to practise English, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations. Although most people are friendly, some may be reluctant to speak with strangers.

Please and Thank you: These are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.

Things to remember

- If you are under 18 years of age it is illegal to drink alcohol
- Buying, selling and using drugs (including cannabis) is illegal
- Notify Kaplan if you are going to be absent from school
- Women are treated equally to men in the UK
- Remember to say please and thank you
